Moutin Reunion Quartet - *Something Like Now* 4/3

O's Notes: The Moutin brothers, Louis (d) and François (b) wrote all of the songs except a cool new arrangement of "Bird's Medley". They are joined by Pierre de Bethmann (p) and Rick Margitza (sax). This unit is seamless and it makes "M.R.C" really swing. François's racing bass lines are hot, especially on "Tomcat". They create a mildly funky fusion that sounds great and it feels good too!
